# GENERAL INFORMATION

## DOMESTIC CATALOG

When ordering lights from this catalogue give the numbers of designs. NEVER CUT OUT THE DESIGNS. All windows are made to order to size given.

In ordering give the maximum time, otherwise will assume that we will have 30 days to fill orders.

When selecting a design compare the size and shape of glass wanted with the size and shape of designs. Have them as nearly alike as possible.

Window lights ordered to fill a smaller space or of a different shape than indicated in design, we reserve the right to modify the design or increase the price.

For odd shapes or sizes send in full size paper patterns. Windows that are grouped draw a rough plan showing how they go.

in ordering mention width first—upright lights thus  18 x 60  
or transom thus  60 x 18.

Odd or fractional parts of inches charged as even inches of next larger size, for example a  $22\frac{1}{2}$  x  $23\frac{1}{4}$  will be charged as a 24 x 24. All sizes under 3 sq. ft. will be charged at the rate of 3 sq. ft. Lights measuring less than 12 inches in height or width will be charged at the rate of 12 inches high or wide. All designs in this catalogue are scaled approximately  $\frac{3}{4}$  inch to the sq. ft.

It is assumed that the rabbet is  $\frac{3}{8}$  inches unless otherwise stated.

Designs on pages 40 to 48—clear window glass leaded. For extra wide or heavy lead—ing write for prices.

For all color or translucent glass add 15 cents net per sq. ft. to net prices. For selected double strength window glass add 15 cents net per sq. ft. For crystal polished  $\frac{1}{8}$  inch plate add 60 cents net per sq. ft.

Designs on pages 25 to 37—clear  $\frac{1}{2}$  inch beveled glass in lead. Same may be made in chipped or obscured glass at an additional cost of 25 cents net per ft.

For same designs in  $\frac{5}{8}$ " bevel add \$0.50 net per square foot.

For same designs in  $\frac{3}{4}$ " bevel add 1.00 net per square foot.

For same designs in 1" bevel add 1.50 net per square foot.

All beveled plate orders filled with  $\frac{1}{2}$ " bevel if not otherwise specified.

Designs on pages 38 and 39—beveled, mitered and wheel cut polished  $\frac{1}{4}$  inch plate glass— $1\frac{1}{4}$  inch bevel. Chipped or obscured plate add 25 cents net per sq. ft. Prices are based on lights not exceeding 10 sq. ft. Over 10 sq. ft., write for prices.

Designs on pages 18 to 21—clear window glass leaded for background with colored glass for ornamentations.

For plain zinc add 16 $\frac{2}{3}$ % to lead prices, electro copper plating add 25% and for brass plating add 33 $\frac{1}{3}$ %. For solid copper or other finishes write for prices.

Designs on pages 3 to 37—colored glass leaded.

Designs on pages 1 and 2—selected Opalescent and painted glass, leaded.

Boxing will be charged on orders at 20 cents per superficial foot of actual lid measurement of cases shipped.

**SPECIAL NOTE**—Designs showing colored glass our artist will use such glass colors and designs as in his judgment will be best adapted to carry out the works. Designs not showing color can be made in color and in harmony with any design shown in colors or suiting any taste or color scheme desired.

Single lights 15 per cent advance per square foot. Two lights 10 per cent advance per square foot over two lights of a size and kind this price list applies.

### EXTRA DISCOUNTS

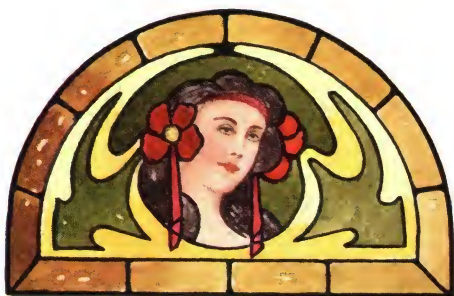

- 6 Lights of a size and kind 3% additional discount.
- 12 Lights of a size and kind 6% additional discount.
- 24 Lights of a size and kind 9% additional discount.
- 48 Lights of a size and kind 12% additional discount.
- 96 Lights of a size and kind 15% additional discount.

The GENERAL INFORMATION page is part of price list of the revised International Domestic Catalog and all orders will be filled in accordance with same unless otherwise specified.
